Where running times are shown as "A+B", the first part is the scheduled driving time and the second part is the scheduled "recovery" time (layover) usually provided to round out the trip time as a multiple of the headway.																			
Where a headway is followed by "**", the service is provided by extension of the main branch of the route for selected trips.

Miscellaneous Changes																			
1 Yonge-University	Service reliability changes: An additional AM peak train will be stored at Finch Station overnight. Trains leaving service after the AM peak to Davisville Yard will now run in from Finch rather than from Lawrence to reduce service disruptions. Trains leaving service in the evening to Wilson Yard will all run in from Vaughan southbound rather than from Wilson northbound.
